About Vantiva

Pushing the Edge

Vantiva (Euronext Paris: VANTI) is a global technology leader in the Customer Premises Equipment (CPE) market. For over 130 years, Vantiva (formerly known as Technicolor) has delivered solutions that connect what matters most. Today, the company continues to redefine connectivity with industry-leading broadband, video, and IoT-driven smart systems that elevate how people live, work, and connect globally.

Vantiva combines a customer-focused approach with decades of software development, electronics hardware design, and supply chain expertise to deliver high-quality solutions at scale. This proficiency has positioned Vantiva as a trusted provider to leading network service providers, enterprise customers, and consumers around the world.

A strong commitment to sustainability and responsible business practices has earned Vantiva multiple Gold and Platinum Medals from EcoVadis for environmental and social performance. These awards place the company among the top 2% of organizations in its category evaluated globally.

With its headquarters in Paris and major offices in Australia, Brazil, China, India, South Korea, the United

Kingdom, and the United States, the company serves a diverse global customer base. The acquisition of CommScope's Home Networks business in January 2024 further bolstered the company and its ongoing commitment to innovation.
