### About KAUFMAN & BROAD

As an urban developer and assembler, the Kaufman & Broad group works alongside and at the service of local authorities and its customers. Through its various subsidiaries, the group offers comprehensive expertise and 55 years of experience in the construction of residential buildings, single family homes, managed residences (students and seniors), shops, logistics platforms and office buildings. The group's employees share the conviction that Building is acting! Acting for people by promoting health and living together, acting for the city by contributing to its attractiveness and development, and acting for the planet by reducing the carbon footprint of building construction and use every day. All the operations developed by the group thus contribute positively to the ecological transition and innovate to create a more virtuous city.
