

Netgem Partners with 2K to Bring *Mafia: Definitive Edition* to Cloud Gaming Platform

Paris, France - 18 August 2025 - Netgem announces an exciting new partnership with renowned video game publisher 2K, allowing customers on the JIO platform In India to play ***Mafia: Definitive Edition***, the remake of the gripping crime saga of the original Mafia.

The remake includes an updated script, additional cutscenes, all-new gameplay sequences and features, a re-recorded orchestral score, and other enhancements.

“We are thrilled to join forces with 2K to bring ***Mafia: Definitive Edition*** to our gaming service,” said Mathias Hautefort, Netgem CEO. “This partnership reinforces our commitment to providing premium entertainment to our customers, whether through TV, movies, or now, top-tier gaming experiences. Our telco partners, beginning with JIO in India, will have the exciting opportunity to enhance their Cloud Gaming service in the coming weeks”

This collaboration marks a significant step in Netgem’s strategy to enhance its entertainment ecosystem, reaffirming Netgem's promise to keep everyone entertained by offering users an ever-growing selection of content that caters to all interests.

2K and Netgem are exploring future opportunities to bring additional franchises from the label to the platform.

About Netgem

Since 1996, Netgem has been a provider of technology and services for the video entertainment industry. The company operates across two key sectors: Streaming Solutions – delivering content and technology to telecom operators and Media Services – supporting rights holders in preserving and monetising their assets. Both divisions share a common goal: helping clients offer accessible entertainment to everyone, in line with the company’s tagline, Everyone’s Entertained.

Netgem is listed on Euronext Growth (ISIN: FR0004154060, Reuters: ETGM.PA, Bloomberg: ALNTG FP). www.netgem.com

About 2K
