## **VINCI awarded design and build contract in Australia**

- Major upgrade of a section of the Eastern Freeway in Melbourne in Victoria
- Construction contract total value of approximately 450 million euros

Seymour Whyte, a VINCI Construction subsidiary in Australia, as part of a design and build alliance with John Holland, Jacobs, Mott MacDonald and Major Road Projects Victoria, has been awarded a contract for a major upgrade to the Hoddle to Burke section of the Eastern Freeway.

The construction contract is valued at approximately 450 million euros (AUD 800 million) for Seymour Whyte and John Holland (50:50), with completion expected by mid-2028.

The upgrade includes the addition of one lane in each direction, a new dedicated busway, shared-use paths, various civil structures, and noise barriers to enhance amenity for nearby residents.

### **About VINCI**

VINCI is a world leader in concessions, energy solutions and construction, employing 285,000 people in more than 120 countries. We design, finance, build and operate infrastructure and facilities that help improve daily life and mobility for all. Because we believe in all-round performance, above and beyond economic and financial results, we are committed to operating in an environmentally and socially responsible manner. And because our projects are in the public interest, we consider that reaching out to all our stakeholders and engaging in dialogue with them is essential in the conduct of our business activities. VINCI's ambition is to create long-term value for its customers, shareholders, employees, partners and society in general. [www.vinci.com](http://www.vinci.com)
