

## **Nexans launches a share buyback program**

### **PRESS RELEASE**

**Paris, November 18, 2025** – Nexans, a global leader in the design and manufacturing of cable systems to power the world, announces the implementation of a share buyback program covering a maximum of 128,000 shares, in accordance with the authorization granted under the 14th resolution of the Shareholders' General Meeting held on May 15, 2025, in order to meet the obligations arising from free and performance share plans benefiting employees and corporate officers.

Nexans has entrusted an investment services provider with the execution of this program for the period extending from November 18, 2025 to February 28, 2026.

### **About Nexans**

Nexans is the global pure player in sustainable electrification, building the essential systems that power the world's transition to a connected, resilient, and low-carbon future. From offshore and onshore renewable energies to smart cities and homes, Nexans designs and delivers advanced cable solutions, accessories and services that electrify progress safely, efficiently, and sustainably.

With over 140 years of history, through three core businesses: PWR Transmission, PWR Grid, and PWR Connect, Nexans blends deep industry expertise with cutting-edge innovation to accelerate the energy transition, and better meet its customers' needs. Its unique E3 model, focused on Environment, Economy and Engagement, drives every action, aligning performance with purpose.

Nexans operates in 41 countries with 28,500 people and generated €7.1 billion in standard sales in 2024. As recognized climate action leader, Nexans is committed to Net-Zero emissions by 2050 aligned with the Science Based Targets initiative (SBTi) and expanding energy access through the Fondation Nexans.

Nexans is listed on Euronext Paris, Compartment A.
