EXOSENS JOINS THE SBF 120 INDEX

Exosens (Ticker: EXENS – ISIN: FR001400Q9V2), a high-tech company focused on providing mission and performance-critical amplification, detection and imaging technology, announces that it will join the SBF 120 index, which groups the 120 largest companies in terms of liquidity and free-float market capitalization listed on the Euronext Paris stock exchange.

The inclusion of Exosens in this index will be effective as of the market opening of 24 March 2025.

"We are honored with the upcoming inclusion of Exosens into the SBF 120 index, which marks another important milestone for the Company less than one year after our successful IPO. This will strengthen the visibility and liquidity profile of Exosens in the financial markets, while further supporting our attractiveness to investors, especially taking into account our leadership in mission-critical defense technologies", said Jérôme Cerisier, Chief Executive Officer of Exosens.

About Exosens
