Llama Group officially becomes Winamp Group SA

Llama Group SA (Euronext Growth Paris & Brussels: ALLAM) announces that the Extraordinary General Meeting held yesterday, October 20, 2025, has overwhelmingly approved the change of the company's corporate name to **Winamp Group SA**.

This decision marks an important milestone in the Group's history, confirming its strategic realignment around **Winamp**, an iconic and globally recognized brand in the digital music industry.

The new name serves several key objectives:

- **Leveraging an iconic brand** with unmatched recognition and legitimacy among artists and music lovers worldwide;
- **Strengthening the Group's international visibility** with users, partners, and investors;
- **Aligning the parent company's identity with its strategic vision**, positioning Winamp as the central platform of services for independent artists and content creators.

Alexandre Saboundjian, CEO of Winamp Group SA, stated: *"The approval of this name change by our shareholders is an excellent news and a strong signal for our future. Winamp lies at the heart of our long-term strategy and vision. By becoming Winamp Group, we are affirming our ambition to build a global ecosystem dedicated to empowering artists and their communities."*

In the coming days, the Group will proceed with the necessary administrative and technical steps, including the update of its name on Euronext Growth and the adjustment of the associated market tracker.

About Llama Group

Llama Group is a pioneer and leader in the digital music industry. With extensive expertise across various sectors, the group owns the iconic Winamp platform, the Bridger copyright management company, and the Jamendo music licensing company. Llama Group's ambition is to build the future of the music industry through sustained investment in a range of innovative solutions and in the talent and skills of people who love music. The group stands by its brand values: empowerment, access, simplicity, and fairness. Winamp's vision is a world where a cutting-edge music platform connects artists and their fans like never before. Bridger's mission is to support songwriters and composers by providing a simple and innovative solution for collecting royalties. Jamendo enables independent artists to generate additional income through commercial licenses. Finally, Hotmix offers a bouquet of more than sixty thematic and free digital radio stations.

About Winamp – www.winamp.com

Winamp is redefining the music experience by creating an innovative platform that strengthens the connection between artists and fans. We provide powerful tools that empower creators to manage their music, grow their audience, and maximize their revenue—all while delivering a seamless listening experience through the Winamp Player.

Winamp for Creators is our dedicated platform designed to give music artists everything they need to succeed. From monetization tools to music management services, it brings together essential resources to help creators take control of their careers.
