Airtime Partecipazioni S.p.A. announces the implementation of a liquidity contract with Portzamparc BNP PARIBAS

Airtime Partecipazioni S.p.A (ISIN: IT0005450819, Ticker: ALAIR), the holding company of a group active as market maker and liquidity pool in the telecommunications industry, announced today that it has implemented a liquidity contract with Portzamparc BNP PARIBAS starting on September 22, 2021, with respect to Airtime Partecipazioni shares listed on Euronext Growth Paris.

The implementation of this liquidity contract will be carried out in accordance with the AMF decision n°2018-01 of July 2, 2018 establishing liquidity contracts on shares as an accepted market practice (the « AMF Decision ») and the standard contract of the Association française des marchés financiers (AMAFI).

For the implementation of this contract, the following resources have been allocated to the liquidity account:

- 100,000 euros.

The execution of the liquidity contract may be suspended under the conditions described in Article 5 of the AMF Decision n°2018-01 July 2, 2018 and if the share is listed outside the thresholds authorized by the Company's Shareholders' Meeting.

Airtime Partecipazioni and Portzamparc BNP PARIBAS may terminate the liquidity contract at any time during the term by mutual agreement.

This liquidity contract is based on Shareholder's General Meeting held on June 8, 2021 which authorized a share buyback program as described in the Information Document related to the admission to trading dated September 20, 2021.

This communication is available in the section Investor Relations of the website www.airtimepartecipazioni.com
