74Software observes a quiet period of 30 calendar days before the release of annual and half-year results, and 15 calendar days before the publication of quarterly revenue.

The latest financial calendar is available at all times in the Financial Calendar section of the Investor Relations page on the 74Software website: <https://www.74software.com/investor-relations/calendar>

Information related to 74Software's General Meetings can be found in the General Meetings section of the Investor Relations page: <https://www.74software.com/investor-relations/general-assembly>

### About 74Software

74Software is an enterprise software group founded through the combination of Axway and SBS – independently operated leaders with unique experience and capabilities to deliver mission-critical software for a data driven world. A pioneer in enterprise integration solutions for 25 years, Axway supports major brands and government agencies around the globe with its core line of MFT, B2B, API, and Financial Accounting Hub products. SBS empowers banks and financial institutions to reimagine tomorrow's digital experiences with a composable cloud-based architecture that enables deposits, lending, compliance, payments, consumer, and asset finance services and operations to be deployed worldwide. 74Software serves more than 11,000 companies, including over 1,500 financial service customers.
