

## WALLIX recognized for progress in non-financial performance

- Gaïa Research score of 70/100;
- 16 points above average peer score;
- Up 23 points in 3 years;
- Gaïa silver medal awarded by Ethifinance.

Paris, November 22, 2022 - WALLIX (Euronext ALLIX), a European cybersecurity software developer and expert in privileged access management (PAM), has been awarded a score of 70/100 by Gaïa Research, up sharply and largely exceeding the sector average.

In the Gaïa Research 2022 survey, WALLIX obtained a score of 70/100, well above the 54/100 average among the 66 companies rated in the Information Technology sector. The score is awarded in respect of non-financial data for 2021 on the basis of 140 criteria spanning four main themes: environment, social, governance, and external stakeholders.

By continuously improving its ESG policy, WALLIX has raised its score by 23 points over three years and now ranks 14<sup>th</sup> among the 66 companies of its industry, 17<sup>th</sup> among the 126 companies with revenue below €150m and 70<sup>th</sup> among the 371 companies rated by Gaïa Research 2022. This achievement has earned WALLIX the Gaïa silver medal for non-financial performance.

### GAIA RATING BY PILLAR

The establishment of a CSR Committee and the publication of the first non-financial report illustrate the Group's determination to ensure compliance with the sustainable development principles. The recent change from a dual board structure with a Management Board and a Supervisory Board to a one-tier board structure with a Board of Directors will definitely improve the Group's governance rating and its overall non-financial performance in 2023.
