

Sword Group completes the Sale of Tipik to mci group

Sword Group confirms the **sale** of its subsidiary **Tipik** to **mci group**, an internationally **recognised** player in the **field** of **event** and **institutional communication**.

This divestment **marks the end** of **Sword's involvement** in **event-related activities**, fully aligned with its strategy to **refocus on its core businesses**: **digital transformation** and **high value-added services**.

mci group, a **long-standing partner** of **Sword**, is **accelerating its growth** and **strengthening its service portfolio** as well as its **communication expertise** in support of **European Institutions**.

From a financial perspective, the **transaction** will have a **positive impact** on the **Group's profitability**, with a **slight improvement** in **operating margins**.

It also **takes place** in the **context** of a **realignment** of the **Group's scope**, following the **recent acquisitions** of **Full On Net** and **Bubble Go**. On a **full-year basis**, these **two integrations** will **compensate for** the **sale** of **Tipik** in terms of **revenue**, with a **difference** of **approximately €4m**.

Sword Group continues to **drive sustainable growth** while **strengthening its presence** in **strategic markets**.
