

## **Eutelsat Partners with NIGCOMSAT to Launch LEO Satellite Services in Nigeria**

- *New multi-million-dollar agreement to provide LEO satellite connectivity across Nigeria via the OneWeb network.*
- *Supporting Nigeria's digital transformation by addressing the connectivity needs of government, enterprise, rural areas, and critical applications.*

**Paris, 23 January 2025** - Eutelsat Group (ISIN: FR0010221234 - Euronext Paris / London Stock Exchange: ETL), a global leader in satellite communications and Nigerian Communications Satellite Limited (NIGCOMSAT) are proud to announce a groundbreaking multi-year, multi-million-dollar partnership to deliver low Earth orbit (LEO) satellite services in Nigeria.

This strategic agreement positions NIGCOMSAT as Nigeria's leading satellite service provider by leveraging the OneWeb LEO network to deliver high-speed, low-latency connectivity. The services will cater to a wide range of sectors, including government, enterprises, and underserved rural areas, supporting essential applications like remote communications, mobile connectivity, and offshore operations.

**Commenting on the development, Cyril Dujardin, President of the Connectivity Business Unit at Eutelsat Group says,** "We are honoured to partner with NIGCOMSAT in this transformative initiative to enhance digital inclusion in Nigeria. LEO satellites are vital for providing fast, reliable connectivity in remote and underserved areas. This collaboration underscores Eutelsat's commitment to driving global digital transformation. We look forward to a long, fruitful relationship with NIGCOMSAT."

**On her part, NIGCOMSAT's Managing Director/CEO, Jane Nkechi Egerton-Idehen, stated that,** "We are delighted to deepen our collaboration with Eutelsat, a globally renowned satellite technology leader. This partnership is a milestone for NIGCOMSAT, enabling us to bridge Nigeria's digital divide through the cutting-edge capabilities of OneWeb LEO satellites. Together, we will deliver scalable, reliable connectivity solutions to foster growth across government services, businesses and communities nationwide."

This partnership attests to the strong ties between Nigeria and France in advancing satellite and space technology. By joining forces, Eutelsat and NIGCOMSAT are poised to drive innovation, accelerate digital transformation, and open new opportunities for connectivity across Nigeria and beyond.
