

Share buyback mandate

As part of the extension of its share buyback operation, announced on December 3, 2024, for a total amount of up to €600 million until November 2027, Edenred announces it has entered into a new share buyback agreement with an investment services provider (ISP) on June 20, 2025.

This mandate, for an initial total maximum amount of €25 million, will run until July 31, 2025, with the intention of extending it until November 30, 2027¹ for an amount corresponding to €250 million less the amount actually bought back under the terms of this mandate.

As of June 20, 2025, 9.7 million shares were purchased as part of this operation for a total consideration of €350 million.

On an indicative basis, €25 million would correspond to a total volume of 1.0 million shares (i.e., 0.43% of the share capital), at the closing price on June 20.

Any shares bought back will be canceled, as announced on March 8.
