

VALLOUREC COMPLETES THE DISPOSAL OF SERIMAX

Meudon (France), July 25th, 2025 – Vallourec, a world leader in premium seamless tubular solutions, announces today that it has finalized on July 24th the disposal process of Serimax, Vallourec's subsidiary specializing in manual and mechanized orbital welding solutions, for an enterprise value of €79 million.^a

This transaction is part of Vallourec's initiatives to rationalize its invested capital and focus the Group on its core business as a premium seamless tubular solutions provider. As part of the New Vallourec plan, Serimax has undergone a rapid transformation and is now operating profitably as a standalone company. Serimax generated approximately €105 million of revenues in 2024.

As a new shareholder, Aldebaran, a French investment company, will enable Serimax - a global leading provider of manual and mechanized orbital welding solutions - to continue its ambitious development.
