FILING OF ARKEMA'S 2024 UNIVERSAL REGISTRATION DOCUMENT

Arkema announces the publication of its 2024 Universal Registration Document.

The 2024 Universal Registration Document was filed on 27 March 2025 with the French Financial Markets Authority (AMF).

This document is available to the public free of charge under the conditions set out by the regulations in force, and a translation of the French version is available on the company's website at:

<https://www.arkema.com/global/en/investor-relations/financials/universal-registration-document/>.

The document includes notably the 2024 Annual Financial Report composed of the Management Report including notably sustainability information and the certification report on this information, the Corporate Governance Report and the 2024 Financial Statements and Consolidated Financial Statements. It also includes the Board of Directors' report on the resolutions submitted to the combined annual general meeting of 22 May 2025, the details of the share buyback program, the Statutory Auditor's Reports as well as the Statutory Auditor's fees.

The Universal Registration Document is also available on the French Financial Markets Authority's website at: <https://www.amf-france.org/>.

Building on its unique set of expertise in materials science, **Arkema** offers a portfolio of first-class technologies to address ever-growing demand for new and sustainable materials. With the ambition to become a pure player in Specialty Materials, the Group is structured into 3 complementary, resilient and highly innovative segments dedicated to Specialty Materials - Adhesive Solutions, Advanced Materials, and Coating Solutions - accounting for some 92% of Group sales in 2024, and a well-positioned and competitive Intermediates segment. **Arkema** offers cutting-edge technological solutions to meet the challenges of, among other things, new energies, access to water, recycling, urbanization and mobility, and fosters a permanent dialogue with all its stakeholders. The Group reported sales of around € 9.5 billion in 2024, and operates in some 55 countries with 21,150 employees worldwide.
