

## **Mon courtier énergie group announces changes to its governance structure**

**Bordeaux, May 29, 2026, at 6:00 p.m. CEST – Mon courtier énergie group (code ISIN : FR001400H3A0 - Ticker symbol: ALMCE)**, an energy brokerage firm for businesses, announced today a change in corporate governance approved by the Board of Directors on May 29, 2026.

On May 29, 2026, the Board of Directors unanimously decided to appoint Hugo LARRICQ as Chairman of the Board of Directors to replace Charlie EVRARD, who has resigned. This transition was prepared by Charlie EVRARD, who proposed Hugo LARRICQ's candidacy to the Board of Directors to enhance the Group's governance. Hugo LARRICQ will thus combine this role as Chairman of the Board of Directors with his current responsibilities as Chief Executive Officer of the Company.

This development is part of a natural progression since Hugo LARRICQ's appointment as Chief Executive Officer. The strategic directions he has recently championed, with the support of the Board of Directors, have already yielded tangible results in the first quarter of 2026, confirming the relevance of the roadmap undertaken and the Group's ability to ensure its execution.

Charlie EVRARD will remain a member of the Board of Directors and will thus continue to actively contribute to the Group's strategic direction alongside the other directors. He stated: *"Over the past few months, Hugo has successfully set a clear strategic course for the Group, the initial results of which are already evident in our first-quarter performance. I have every confidence in his ability to lead this new phase of development. Given the Group's current context and the execution of our strategic roadmap, his dual role will ensure clear governance, managerial continuity, and greater transparency for our investors and partners. For my part, I will remain fully engaged on the Board of Directors to continue supporting the company alongside the other directors."*

Hugo LARRICQ added: *"I would like to thank the Board of Directors and Charlie for their trust. I am committed to building on the work that has been done and will continue, together with all our teams, to execute our roadmap in the service of our customers, partners, and shareholders."*

The Board of Directors extends its warmest thanks to Charlie EVRARD for his dedication, his service as Chairman of the Board, and his ongoing involvement in the Group's governance.

### About Mon courtier énergie group :

Founded in 2017 in Bordeaux, Mon courtier énergie group has, in just a few years, become a major player in energy brokerage and the leading French network in the B2B market. The Group's mission is to support companies in the overall management of their energy budget in order to reduce or optimize their gas and/or electricity bills. Mon courtier énergie group's service offering includes energy procurement brokerage and advisory, contract management and optimization, and energy transition consulting.

Mon courtier énergie group relies on the expertise of more than 200 employees, based at its headquarters and within its regional "licensed" agencies.
