

Press release

Information regarding a court ruling

Cergy, April 30th, 2025

SPIE acknowledges the judgment rendered by the Paris Criminal Court relating to allegations of bribery of a public official in Indonesia, in connection with a dispute involving a former employee of the Group's Oil & Gas operations, whose dismissal occurred more than ten years ago. At first instance, the Paris Criminal Court imposed a fine of 1.5 million euros to each of SPIE Global Services Energy and SPIE Operations, two subsidiaries of the SPIE Group.

SPIE categorically contests the alleged facts and intends to appeal this decision.

The Group has fully cooperated with the judicial authorities throughout the proceedings and reiterates its unwavering commitment to the highest ethical standards in the conduct of its business activities.

About SPIE

SPIE is an independent European leader in multi-technical services in the field of energy and data transmission. Our 55,000 employees are committed to achieving the energy transition and responsible digital transformation together with our customers.

The SPIE Group achieved consolidated revenues of €9.9 billion and consolidated EBITA of €712 million in 2024.
