

## Tonner Drones launches new website

**Paris, September 30<sup>th</sup>, 2025, 08:00, Tonner Drones ('the Company') is pleased to announce that it has released its new website.**

Tonner Drones has been constantly evolving in recent years. Therefore, it was time for a modern, clear, and customer-focused digital presentation. The new Tonner Drones website offers a fresh and user-friendly platform. Shareholders, potential new clients and investors are invited to visit the website at [www.tonnerdrones.com](http://www.tonnerdrones.com). The new website provides a clearer overview of Tonner Drones' activities and assets.

The website clearly highlights the unique features of our solutions The Countbot and Inhibitor. Potential buyers can now more quickly discover the benefits and applications, significantly lowering the barrier to purchase. Thanks to improved navigation and clear calls to action, visitors can easily contact us, request quotes, or gather more information directly.

Tonner Drones holds valuable stakes in innovative companies like Diodon, Elistair, and Donecle. The new website prominently features each of these holdings, giving visitors insight into the potential value of these companies for Tonner Drones shareholders.

Finally, Tonner Drones has streamlined its shareholder communications. The new website provides up-to-date, clear, and transparent information about corporate developments, financial reporting, and strategic decisions. Shareholders can therefore count on clear information and a warm digital welcome, in keeping with Tonner Drones' open corporate culture.

End of Press-Release.

**About Tonner Drones:** *Tonner Drones develops technologies for the logistics sector. Tonner Drones holds valuable stakes in some promising French drone manufacturers like Elistair and Donecle. Tonner Drones' strategy is to increase the value of its shareholdings in these companies through active asset management. Additional revenues can be achieved through royalties from patents held by Tonner Drones. Tonner Drones does not plan on owning a factory; however, it is determined to retain R&D for its products and systems in France. Tonner Drones uses an active strategy to manage its treasury.*

*Tonner Drones' shares are listed on Euronext Growth Paris (ISIN code: FR001400H2X4).*

### Warning

Regarding the merits of any transaction or the making of any investment decision. It does not constitute or include any confirmation or commitment by Tonner Drones (or any other person) regarding the present or future value of Tonner Drones' business, its securities, its subsidiaries or any other assets of Tonner Drones.

This press release contains forward-looking statements based on current beliefs and expectations regarding future events. These forward-looking statements may include projections and estimates and their underlying assumptions, statements regarding plans, objectives, intentions and/or expectations regarding future financial results, events, operations and services, and product development, as well as statements regarding performance or events. These statements are generally identified by the terms "expect", "anticipate", "believe", "intend", "estimate", "plan", "project", "may", "should" or the negative form of these and other similar expressions. These statements are not guarantees of future performance and are subject to inherent risks, uncertainties and assumptions regarding Tonner Drones and its subsidiaries and investments, trends in their businesses, future capital expenditures and acquisitions, developments relating to contingent liabilities, changes in global economic conditions or Tonner Drones' principal markets, competitive market conditions and regulatory factors. The realization of these events is uncertain; their outcome could turn out to be different from that envisaged today, which is likely to significantly affect the expected results. Actual results may differ materially from those anticipated or implied in these forward-looking statements. Any forward-looking statements contained in this press release are made as of the date of this press release. Except as required by applicable law, Tonner Drones undertakes no obligation to revise or update any forward-looking statements, taking into account new information or future events.
