Press Release

Postponement of publication of half-yearly results to 31 July 2026

Paris, France - (30 October 2026) - PROACTIS SA (ISIN code: FR0004052561) announces the postponement of the publication, originally scheduled for October 30th, 2026, of its half-yearly results as at 31 July 2026 for the financial year beginning on 1 February 2026.

This postponement is a direct consequence of the delay in the process of preparing and finalising the accounts for the financial year ending 31 January 2026. Since the end of July, the group's employees and the company's auditors have been working as a matter of priority to finalise the annual accounts so that the results as at 31 January 2026 and the annual financial report can be published as soon as possible. As a result of this effort, the company is currently unable to guarantee reliable half-yearly information.

PROACTIS SA will announce the next publication dates in a press release in the near future.
